RE: Reports for Council Meeting

Hello!

Unfortunately we do not have the Police Report reviewed and signed by our District Commander, as of yet. I hope it to be ready to forward out to you, first thing Tuesday morning!

Our apologies for the delay – it is just about complete, however we are still awaiting some data to be added to the report.

Thank you for understanding, and I hope you have a wonderful long weekend. I will touch base first thing Tuesday!

Kind Regards,

Christina

# Recreation Director Report to Council, Tuesday October 11th

As you all know the arena sustained significant damage to the roof from Hurricane Fiona. Dennis and The Paynter Brother's were able to roll the steel back to cover and seal the hole for now which is what the insurance company had asked us to do. We are now waiting on an adjuster to come out and for the time being the upstairs will be closed to the public.

The Arena is set to open on October 22nd as long as everything with ice making goes as planned. MCM Refrigeration was out on Wednesday, October 5th to start the plant and dehumidifier and so far everything is going great. Arthur will be starting back on Monday, October 10th.

The ball field fence is still set to be started mid to late October. We will be doing the base line fences, back stop and dug outs. We will be keeping the home run fence.

We have calls in looking for quotes for a heat pump at the maintenance shop. We are hoping to have a new one installed by November.

The Marine Rail Park will soon be closed for the winter. With the temperature steadily dropping now, Dennis will be shutting the water off to the building. It was a very busy summer at the park with up to 18 buses a day as well as having a couple production companies there doing some filming, and Canada Games using it for their announcements of both the 2023 Canada Games Host Province and the Torch Relay host communities.

November 2nd the Town of Borden-Carleton will be kicking off the PEI portion of the Canada Games Torch Relay. This will be taking place in the afternoon with an after party. A list of all Torch Bearers will be released to public soon.

We are revising the programming for the fall/winter months. We just had to move around a few dates and reschedule some due to the hurricane and also from Holly having COVID.

## EMO RESPONSE HURRICANE FIONA Town of Borden-Carleton

The Town was very fortunate as we did not incur the destruction and power loss that hit other parts of the province.

Most of our residents/businesses had power restored within two days.

We opened the comfort centre Sat & Sunday and a number of persons used it to charge phones. A couple people used the showers at the Arena.

There was property damage caused by the wind, rain and falling trees. The Town's major damage was to the roof at the Arena.

Staff worked throughout the storm and used a generator to pump the lift stations as needed.

Attached to this memo is EMO Notes and observations as a result of this storm. It's apparent we do not have adequate resources to respond to a hurricane this strong. We were lucky that this was not in the dead of winter. The Legion is not equipped yet for a winter storm. We will follow up on this with the Legion

Council and our EMO Coordinators should meet over the next month to discuss how best we can improve our EMO response. One of the new employees will be assigned to work on what is needed.

The Province needs to look at EMO on a regional basis, not have every municipal unit duplicating effort

Jim Wentzell CAO

I left space on the pages of notes for feedback and suggestions from Staff and Council. Please forward your comments to the Town Office

#### **EMO NOTES SEPT 28 2022**

Staffing

Inadequate: One staff person for Arena (Holly)

One staff person for Office (Alicia)

One staff person for Properties/Streets (Dennis)

One staff person for Water/Sewer (Brad) plus Dennis most of the time.

Fire Dept Volunteers (Fire Hall)

No back up/replacement staff for extended power outages or damage to Town property Dennis requires a helper (with a driver's license) for many tasks

No back up/replacements to cover for sickness/people away/COVID

No volunteer netbook set up to provide lunches, blankets

#### Action:

#### **Comfort Centres**

Legion is supposed to be official Comfort station but no back up generator there as yet Arena is OK in the off season but again, no back up generator Fire Hall has backup generator, powers doors, and upstairs room. Not ideal but adequate for charging phones, take out for water/food School???

#### Action:

Formal Agreements for Comfort Stations
Winter time needs greater than summertime needs (Heat/Shelter)Transportation
Liasson with Red Cross
When to Open/When not be open.

#### **Communications**

Town's two Facebook pages used

Telephone/Email among employees. EMO coordinators, Mayor, Fire Dept, RCMP and EMO PEI

Advising location/Open Hours. Services at a Comfort station

Problem:

Internet down for awhile

Bell Cell system down for awhile Eastlink Cell system down for awhile

Both Mayor's email and phone not working

Keeping Council/general public informed?

#### **Action:**

How do we communicate when power is off and cellphone service down?

Communication Protocols: Re-examine flow of information and direction to staff (priorities)

Alternative email addresses for Town employees (in case town network down) (yahoo/Gmail)

A separate BC EMO Facebook pages, just for EMO messaging

Education: 72 Hour program: Emergency kits, Contact info.

Control Information Overload – Every municipality has an EMO organization- may be confusing.

Liasson with Maritime Electric? (Regional EMO's a better solution)

#### **BC EMO Office**

Where is it and where should it be?
If it's the Town Hall, staffing is an issue:

Needs a generator to ensure land lines & computers are working

Use of messages on phone, call forwarding

Hours office will be open

#### Action:

Should Library be backup location.

Insurance – What is Covered, what is not. Responsibility to minimalize damage.

Was confusion with Trees – not insured/property owner must claim damage from trees.

#### **BC EMO Database**

At present only database is assessment roll and water/sewer customers Insufficient information

#### **Action**

Circulate flyer to all residents seeking household information: contact info, age groups, ability to look after self for 72 hours, neighbours helping neighbours; who has alternative heat sources, back up generators

#### **Town Administration Preparedness:**

Facility checks (a to do list before a storm)

Stock up on certain supplies: gas/diesel. propane; water, batteries, food?

Test all generators and other equipment

Charge all phones

Check lift stations, lagoons, and storm water system

Hold staff briefings

Liasson with Council, EMO coordinators, EMO PEI and Dept of Municipal Affairs

#### Action

Create a To Do list

Resource List

We have started a Resource list but its far from complete.

Action:

# Town of Borden-Carleton Public Works -Streets- Lights Report September 2022

Some of activities during the month of September that pertained to Public Works/Streets /Lights include:

The Town truck will be repaired in early October. The company doing the work has to get the necessary parts.

Plans are to clean up the Town maintenance shop site, however we are on a waiting list for a dumpster.

The Snow removal tender for 2023-2026 has been issued. One tender was received.

# Town of Borden-Carleton Sewer – Water Report September 2022

Some of activities during the month of September that pertained to Sewer and Water include:

During the Hurricane, Dennis & Brad were out most of the weekend providing power to the lift stations to pump the sewage to the lagoon.

The lagoon was not breached during the storm and catch basins were kept clear as much as possible.

Water meters were read on Sept 29th. There are issues with a few meters are being addressed. Both residential and commercial water and sewer accounts were billed the first week in October.

All accounts greater than 6 months in arrears were sent Disconnect Notices if satisfactory payment methods are not made. Twenty-six (26) letters have been sent.

Hydrant Flushing took place on October 8th.

Thank you

#### Good morning,

I am sending this out to every one of you as contacts for my municipalities. The past two weeks have been incredibly challenging for all of us, and I wanted to express my appreciation to all of you for going above and beyond for the residents of your communities and the entire province. I will never be able to comprehend what all of you saw on the ground and everything that you all had to cope with over the past days, many of you gave up time with your own families to step up and take care of your neighbors and friends.

I look forward to getting out and chatting with each of you during the weeks after the provincial emergency operations center decreases in activity. In the meantime, please do not hesitate to reach out to me.

Thank you for everything and I hope you can get some rest over the coming days.

## Town of Borden-Carleton CAO Report RE: Pending Developments Update September 2022

<u>228 Carleton Street</u> The sewer extension & lateral is expected to be installed during the month of October. No update received from the Developer.

<u>Nicole Morrison Property -Borden Avenue</u> It was the intention to hook on to water and sewer from Downing Street. This would require an easement from BADC as well. We will be reviewing the existing water and sewer lines in the area and determine the active lines.

Ms. Morrison advises they are now looking at a Spring start. Working on plans for a Development Agreement and Building Permit. No new update since last month.

#### 70 Read Road

The letter of Intent has been signed and a draft development agreement created. Prior to finalizing a Purchase and sale Agreement to go to Council, the proposal will go the Planning Board and a public meeting once the necessary documents are received from Paynter Brothers. The Town has received funding towards the cost of extending a Sewer main on Read Road between Carleton St and Industrial Drive.

We did get a response from the developers and they are proposing time line changes to the letter of intent that will be discussed in camera.

#### Town of Borden-Carleton Municipal Residential Property Tax Incentive Policy 2022-06-01

#### 1.0 Housing Imitative

- 1.1 Construction of a new home with an assessment of at least \$100,000
- 1.2 Construction of a new apartment building assessed at least \$100,000 per dwelling unit.
- 1.3 Incentive applies to initial owner only and terminates once the property is sold. It is not transferable to subsequent owners of the property
- 1.4 Incentive only allowed to be used one time per property. For multi building housing projects built in phases, the incentive will apply as each building is completed and occupied as per signed separate agreement with the developer.
- 1.5 Incentive applies to year-round, owner occupied or tenant property.
- 1.6 Tourism, cottages, seasonal, short- term rentals and nonresidential properties are not eligible for the municipal tax incentive.
- 1.7 Change of use of an existing structure will not make the property eligible for a municipal tax incentive.
- 2.0 Eligible applicants will receive a tax refund as follows:
  - 2.1 For owner-occupied single-family homes: a 100% rebate for 5 years on the <u>Municipal portion</u> of their residential property tax.
  - 2.2 For apartment buildings, built and 75% occupied prior to December 31, 2025: a 100% rebate for 5 years on the <u>Municipal portion</u> of their residential property tax
  - 2.3 For multiple housing projects on the same lot built in phases and an agreement is in place as per section 1.4: a rebate for each building as per the terms outlined in the agreement.
    - 2.3.1 Not withstanding the terms of the agreement, the rebate of the <u>Municipal portion</u> of the taxes shall not exceed 5 years for each individual building.

- 2.4 For all apartment buildings built and occupied after December 31, 2025 and for all multiple dwelling agreements signed after December 31, 2025, a phased tax incentive will apply once buildings are complete and 75% occupied:
  - For year one 100% rebate for 5 years on the <u>Municipal</u> <u>portion</u> of their residential property tax, and
  - For year two 80% rebate for 5 years on the <u>Municipal</u> portion of their residential property tax, and
  - For year three 60% rebate for 5 years on the <u>Municipal</u> <u>portion</u> of their residential property tax, and
  - For year four 40% rebate for 5 years on the <u>Municipal</u> portion of their residential property tax, and
  - For year five 20% rebate for 5 years on the <u>Municipal</u> <u>portion</u> of their residential property tax, and
- 3.0 Administration of the tax incentive program
  - 3.1 An applicant must fill in an application form each year and return it along with a copy of their P.E.I. Real Property Tax bill, to the Municipal Office, 20 Dickie Road (Box 89), Borden-Carleton CoB 1X0 prior to December 31st in any given taxation year.
  - 3.2 The CAO may require proof of payment of property taxes prior to issuing an incentive payment to the property owner.
  - 3.3 Any payment will be issued to the assessed owner of the property.
  - 3.4 The CAO may deduct from the incentive payment, amounts to cover any outstanding fees or other charges owed to the town including and not limited to utility billings, servicing charges, permits, fees and fines.
- 4.0 interpretation and termination of Incentive Program
  - 4.1 The Council of the Town of Borden-Carleton may amend or terminate the municipal residential property tax incentive by motion of Council at a duly held meeting of the Council.
  - 4.2 If any dispute arises in respect to the application and interpretation of any provisions of this document, the opinion of the Town shall prevail and be final.

RE: Tender Review & Recommendation - Read Road Sewer Extension - Borden-Carleton

#### Hi Jonathan

Council would like to award the tender to Landmark Construction for the new Sewer Main & services on Read Road at a tendered price of \$364,623.03 . Please advise the contactor.

In addition, can you contact the Dept of Environment in respect to the permit for this job and advise them the Contractor would like to start around Oct 17th.

Thirdly, as mentioned on the phone, there should be a couple water service laterals added to the contract as "EXTRAS" as any development on the vacant lots would require water service as well.

Thank You

Jim Wentzell CAO 902 437 2225

# FOR Operation of Canteen Concession Gateway Arena

**Borden-Carleton** 

#### **REQUEST FOR PROPOSALS**

The Town of Borden-Carleton is inviting proposals to Operate the Canteen Concession at the Gateway Arena for a one-year period with an option for an annual renewal.

#### THE OPPORTUNITY

During the Winter and Spring, residents and the business community workforce have a limited choices to enable to purchase cooked food for lunch and dinner, and the Canteen has been traditionally been open to provide this necessary community service until the Victoria Day Holiday in May

In addition, between November 1st and March 22nd, the Arena is open to ice rentals for Minor Hockey, skating, ringette and adult ice rentals. The canteen service provides food options for those using the ice and spectators/parents attending the various events.

#### **CANTEEN FACILITIES**

The Canteen at the Arena has the following equipment:

Propane Grill

Propane Deep Fryer

Hot Chocolate Machine

Double Door Refrigerator

Deep Freeze

Various Cooking Utensils

Slow Cooker

**Electric Cash Register** 

Debit Machine (optional)

Arena Canteen Cell phone (Optional)

Counters

Exhaust Fan

#### CONCESSION CONCEPT

Proposals may be received from Individuals or companies proposing to operate the Canteen for a minimum of lunch hours. Dinner times, and when there are spectators in the Arena watching various on ice events that could be scheduled evenings up to 9pm, as well as Saturdays and Sundays.

The operator of the Canteen would be responsible for staffing, scheduling, and the operating expenses of the Canteen including payroll and payroll expenses. They would be required to have their own business # with CRA and WCB

The canteen operator would have the use of existing canteen equipment during the life of the contract.

As use of the Arena fluctuates from day to day, dependence on weather, COVID regulations and other factors, the Town is willing to work with the operator to be fair to both the operator and the Town.

#### **RENTAL CHARGES**

As the scope of Revenue is unknown depending upon sales and sales depend upon attendance at the Arena and the response from the community. Instead of setting a fixed monthly rental fee, the concession fee would be as follows:

5% of the Gross monthly sales including taxes, payable one week following the end of each month; plus

\$200 per month for equipment rental, electricity, water & sewer payable at the beginning of each month.

#### **FLEXIBILITY**

The success of any business is how it is run. In 2021/22 the Canteen had Gross Sales of \$46,000. There were additional hours the Canteen could have been open, but it wasn't. The menu prices weren't adjusted to line up with increasing product costs. The Canteen could have been better promoted. The menu could change. Portions could have been smaller.

#### **YOUR PROPOSAL**

The Rental fees are known, so the Town will consider the proposal that in the Town's opinion would provide satisfactory Canteen services to the community and Arena. Proposals received would be based on:

- The applicant's ability to operate a Canteen service
- How hours of Operation would be set
- The Operators vision on what they see how to best operate the Canteen Service; How reliable will be the service, how orders would be received and processed, customer service in general
- financial accountability.

#### OTHER PROPOSALS WILL BE CONSIDERED

The Town will consider unique proposals from individuals or firms that is different from what the RFP states. The goal is to provide good affordable food service to the community. If you have a better idea, let's hear it.

#### **TERM**

The term of the contract will be for one-year terms. Longer term contracts would be considered.

#### **COMPLIANCE**

The operator will be required to adhere to all municipal, provincial, and federal regulations and obtain any necessary licenses and permits including a food safety permit,

#### **SUBMITTING A PROPOSAL**

Interested persons should complete the attached form and forward by mail or email to: Town of Borden-Carleton P O Box 89 (20 Dickie Road), COB1XO or <u>bordencarletonrec@gmail.com</u> no later than 3:00pm Wednesday October 5, 2022.

#### **REVIEW OF PROPOSALS**

The Town will review proposals received and conduct discussions with those proposals that best suit the needs of the Town and Community. A written contract will be established for the accepted proposal.

#### **RIGHT OF TOWN**

The Town reserves the right to accept, reject any of the proposals received and to accept the proposal in the best interest of the Town and community.

#### **QUESTIONS**

Any questions on this proposal call should be submitted to Holly Bernard, Recreation Director bordencarletonrec@gmail.com or 902 437 2410
